

Audion Power Sealers

IST and IST-MED

Advantages

- Strong price - quality ratio
- Heavy duty design
- Sealing length up to 1020 mm
- Large seal bar opening: 45 mm
- 9 programs for the standard models
- 1 program for the MED models
- User friendly digital panel
- Bi-active sealing bars suitable for laminates and thick pouches
- Machine can be equipped with support stand
- Horizontal and vertical sealing position in combination with support
- Pneumatically closed sealing bars (no overheating of electro magnets)
- Machine built according to the latest directives
